

# TS-1009: Default Master Call Accounting Password

Comm One LLC - Technical Support Documentation

[Support Documentation Index](#)

Friday, March 19, 2010

1:40 AM

*The information in this article applies to:*

LITE, JR and PRO

## **BACKGROUND**

By default there is no password set to access the Comm One Call Accounting Lite, JR and PRO versions. If you set a password under the TOOLS menu, you will need that password to access the system.

## **DEFAULT MASTER PASSWORD**

If you forget your password, you can bypass the password you have set and access the system by using the default master password: TBOP
