

TS-1089: What Is The Difference Between A Cable Kit And An Avaya Cable Kit?

Comm One LLC - Technical Support Documentation

[Support Documentation Index](#)

Thursday, April 15, 2010
12:21 PM

The information in this article applies to:
Comm One SMDR Cable Kit

The main difference is the AF355 adapter. It is included in the Avaya Cable Kit, but not the regular cable kit.

CONTENTS OF EACH KIT

See these links for the contents of each kit:
